Making Memories since 2016

Package 1

"I Do"

This is a brief, under 10-minute ceremony that administers the Oath of Marriage.

It features short vows, the "I Do," a quick ring exchange, and a kiss.

As a basic civil ceremony, it is best suited for intimate settings like a small at-home or park gathering with only a few guests, and is not recommended for formal venue weddings.

Package 2

"Simply Sweet"

This is a popular, traditional ceremony lasting under 20 minutes, perfect for couples seeking a simple yet sweet experience.

While this package doesn't include customization beyond your vows, it features heartfelt vows, the "I Do," a ring exchange, and a kiss.

Ideal for formal venue weddings, it suits any location and guest count.

Package 3

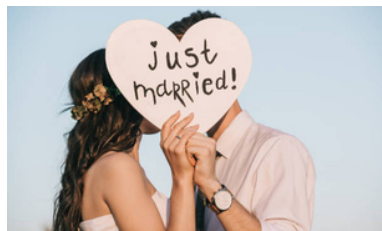

"Our Love Story"

This ceremony is perfect for couples seeking a customized 30-40 minute experience.

It celebrates your love story, vision for marriage, cultural or family traditions, and can include favorite poetry or readings to create an unforgettable event.

You can choose alternative vows, incorporate special elements, or add personal touches.

Together, we'll design a ceremony even more meaningful than the Simply Sweet Ceremony, tailored for any venue and guest count.
