About Wed Me Dee

I'm Daneen Harrison—though most people know me as “Dee.” Since 2016, I've had the honor of being a non-denominational Ordained Minister through the Universal Life Church. My journey into officiating began with a close friend's wedding, and before I knew it, friends of friends were reaching out. What started as a single heartfelt ceremony grew into a passion—I simply love being a part of such a special moment in people's lives! I officiate weddings across NY, NJ, and CT, tailored to your unique vision. Whether your celebration is filled with family and friends, an intimate gathering with your kids and pets, or just the two of you, I'm here to ensure your day is as peaceful, joyful, and meaningful as possible. While no one can promise a “perfect” day, I can promise personal diligence, thoughtfulness, and a ceremony that truly reflects your love story.

Your Love Story, Your Ceremony, Your Day! Every couple has a unique love story that deserves a personalized and heartfelt celebration. As an experienced wedding officiant, I am honored to guide you through this milestone, crafting a ceremony that reflects your love, values, and dreams.

With a commitment to understanding what makes your relationship special, I work closely with you to create a meaningful experience that captures the essence of your journey together. From romantic, non-traditional ceremonies to celebrations steeped in cultural traditions, I tailor every detail to suit your vision.

Whether you're planning an intimate gathering or a grand celebration, my goal is to ensure your wedding day is warm, joyous, and unforgettable. I specialize in ceremonies for couples who describe themselves as “spiritual but not religious,” and I warmly welcome all faiths, beliefs, and traditions. Together, we will create a ceremony that celebrates your union in a way that resonates with your unique story.

It is also important to ensure your officiant has a reliable backup in place. I often hear from brides whose original officiant canceled without a replacement. To provide peace of mind, my partner John serves as my backup officiant—he is experienced and exceptional in his role.

Let's work together to make your dream wedding a reality. I am here to provide creative ideas, support, and guidance every step of the way. Your love brought you to this moment—let me help you create a ceremony you'll cherish forever.

Taking the first step towards your dream ceremony is easy! Schedule a free, no-obligation consultation with me to discuss your vision and answer any questions you might have. Let's create something beautiful together. I can't wait to celebrate your journey to “I do.”

Warm regards,
Officiant - Daneen Harrison “Dee”
